

*Machinery Finance Resources has become the industry's leading finance solution for manufacturers. We understand what our customers need and expect.*

**Fast Credit Decision**

*Most transactions approved in 24 hours or less.* Our Fast Track Credit Application keeps the process fast and simple.

**Deferred Payments**

Our deferred payment programs allow equipment to start generating revenue for up to 90 days before payments begin. Your company can acquire new/used equipment now without a large upfront cash outlay.

**Flexible & Affordable**

Our low competitive rates and convenient payment options make financing affordable for our customers, allowing you to preserve your existing working capital. With our extensive finance solutions and programs, we are the best equipped in the industry to offer customized finance solutions to solve your needs.

**Variety of Lease Options**

What's right for you? Tax lease? Operating lease? Lease to own? You can even finance with little or no money down. **Let us explore options with you.**

**Single Point of Contact**

MFR exclusively finances precision manufacturing equipment. When financing through MFR, you will be assigned a dedicated and experienced finance specialist who understands your business and will assist you through every step of the process.

**Manufacturing Equipment Specialists**

Backed by over 70 years of experience, Machinery Finance Resources (MFR) understands the financial and business issues manufacturers face on a daily basis. We have the resources and knowledge to help your business expand, and look forward to providing a customized finance solution.
